

## FEES POLICY

- Fees applicable to your squad are payable monthly by direct debit. Any fees not paid by direct debit will incur an additional monthly admin charge.
- The monthly fee is taken from an annual cost for the squad and broken down into a convenient monthly cost as opposed to an individual session cost. It takes into account some sessions through the year will be lost to Bank Holidays, Seasonal breaks and the occasional scheduled and unscheduled cancellations. The annual cost represents pool time and staffing costs, but also ASA registration and Insurance, equipment and education costs etc
- Monthly fees are set for the squad your swimmer is training in. Squad places are limited therefore in order to maintain your place the full monthly fee is applicable regardless of number of sessions attended.
- Swimmers whose fees are 2 months in arrears will not be permitted to swim until their fees are up to date. The Club is a not for profit charity and it's important that our fees are received on time
- One month's written notice of termination is required and fees are due until this date. Email - [Membership@wfsc.org.uk](mailto:Membership@wfsc.org.uk)
- Suspension of fees for medical absences of more than 3 weeks can be applied for to the committee at the time of occurrence.

Further to the above, the Committee recognises that there will be occasions when pools may have breakdowns which fall outside that which is reasonable/occasional closures. In these cases, every attempt will be made to provide alternative sessions if possible, and these situations will be addressed on each exceptional basis and discussed at Committee level.
