

DISCIPLINE CODE

Introduction

Wyre Forest Swimming Club Discipline Code provides guidelines for disciplining members of the club who contravene the Code of Conduct.

This policy is set out to guide the management committee and inform members of the club and their parents/carers of the discipline process.

The primary objective is to encourage members to comply with the code of conduct.

General principles

Wyre Forest Swimming club disciplinary procedures are based on the following principles:

- The disciplinary rules and procedures are designed to be non-discriminatory and are to be applied irrespective of sex, racial group, sexual orientation, disability, religion, age, or any other bias.
- All matters will be dealt with in accordance with the club constitution
- It is expected that most matters will be dealt with on poolside or at the point of incidence informally at the time of the event.
- Any behaviour that is considered to be unacceptable by coaching staff or
instructors may lead to a warning being issued
- All matters relating to disciplinary action will be handled as speedily as possible.
- A person wishing to make a complaint about inappropriate conduct should normally do so within 30 days of the incident
- Persistent or serious breaches of conduct will be reported to the club secretary/Welfare Officer preferably in writing
- Club members will have a right of appeal against any formal disciplinary decision.

WYRE FOREST SWIMMING CLUB

PROCESS

On receipt of a complaint the Committee will decide what action to take, if the Committee decides the matter should be handled formally and a disciplinary investigation is necessary, the Committee will either investigate the incident or refer it to a disciplinary sub committee to investigate.

Investigations

Serious misconduct will be subject to investigation. The purpose of an investigation is to establish the facts of a case and to record them. The level of investigation into a complaint or incident must be decided by either the Committee or the disciplinary sub committee, and must be based on a judgment of its nature, seriousness and how much is known about the circumstances of the misconduct.

It is important to remember that it is the purpose of any subsequent disciplinary hearing to make a judgment on the facts presented. So the investigation must focus on relevant facts. In the event that the investigation reveals further incidents, these may be subject to investigation by the disciplinary subcommittee.

Timing

Investigations that may lead to disciplinary action must take place as soon as possible after any misconduct is alleged.

Investigations should be conducted as early as possible and within 28-days of a complaint being received unless there are justifiable reasons for extending the time frame. Any extension to the time limit must be fully documented by the DSC. The DSC must inform the member or parent/carer of the member under investigation in writing of the extension and the reason for it.

Arrangements

Members of Wyre Forest swimming club who do not respond, without good reason, to a statement of alleged misconduct and/or do not attend a disciplinary hearing must be made aware that they may have their case decided in their absence.
