

WYRE FOREST SWIMMING CLUB

Policy for the taking of photos for publicity and training purposes.

Photographs of swimmers may be taken at galas, meets and in-house competitions and events for publicity purposes. These will be taken by members of the club committee or by persons/companies delegated to by the committee, with full DBS clearance, and posted onto the clubs Facebook site as quickly as possible. The images will then be deleted from the devices. It is the responsibility of the photographer to ensure that devices with images of swimmers on are kept securely at all times. Any loss or theft of devices must be immediately reported to the police and club chairperson/ Head coach.

On occasion photographs and videos may be taken of swimmers by coaches during training for training purposes. These images may be stored for a period of time if they are clearly being used for training purposes to help swimmers review their technique and swimming style. Once they are no longer being used for this purpose they should be deleted from the device. On the rare occasion that a coach would wish to keep material as examples of good skills and technique this must only be done with the permission of the swimmer and parents.
